DELCONCA

MARBLE EDITION

La nuova collezione Marble Edition, prodotta con tecnologia Dinamica, associa una gamma ristretta di quattro superfici ispirate dall'antica lavorazione marmorea e dalla natura delle pietre.
Un mix di decorazioni originali come calcestruzzo, calcare e granito, per ottenere superfici uniche e inimitabili.
Dopo l'installazione in casa, vengono facilmente ripulite per rendere le superfici idromercanti, igienizzanti e antiscalfi.
In alternativa, possono essere utilizzate anche in ambienti esterni, come terrazze e giardini.
