This decision has been made to make room for new, innovative collections that best reflect current design trends and market needs.

Our goal is to continue offering you a complete and updated product portfolio, while ensuring the highest level of quality and service.

We kindly encourage you to review your current stock levels and ongoing commitments for these items to ensure a smooth transition. Product availability, lead times, and final-order acceptance will remain subject to written confirmation.

Should you require clarification or assistance, please do not hesitate to contact us directly.

Thank you for your continued support and confidence in Ceramica Rondine.

Best Regards,

Samuele Ruini
